Thanks for filling out [Preliminary Screening](#)

Here's what was received.

Preliminary Screening

Are you ready for an internship with decision makers

Your email (saad.arqam@adypu.edu.in) was recorded when you submitted this form.

Question1: When considering enrolling in a new course or program, what is your primary motivation?

*

- ☐ Option A: To gain new skills and knowledge that will benefit my future career.
- ☒ Option B: To explore a subject I'm passionate about and deepen my understanding.
- ☐ Option C: To get a certificate that will enhance my resume.
- ☐ Option D: To fulfill a requirement or because it fits easily into my schedule.

Question2: How do you view opportunities for exposure to new ideas and experiences?

*

- ☐ Option A: I actively seek out new experiences and ideas because they broaden my perspective and help me grow.
- ☒ Option B: I value exposure to new ideas but prefer to balance it with familiar activities to avoid feeling overwhelmed.

- ☐ Option C: I prefer to stick to what I know and only occasionally try new things if necessary
- ☐ Option D: I usually wait for opportunities to come to me rather than actively seeking them out.

Question3: How much time are you willing to dedicate weekly to a course that prepares you for internships?

*

- ☐ Option A: I can easily spend 2hours per day, since this is the main agenda of college life
- ☐ Option B: I can spend about 5-6 hours per week, I will prioritize learning and internship readiness, while balancing academics.
- ☒ Option C: I can allocate 2-3 hours per week for self learning on weekends, since I have a packed schedule
- ☐ Option D: I would like to focus on academics in the first year, I have been told to start thinking of internships in the third year

Question4: How do you handle a situation when a lot of people discourage you around a project that you are doing with a lot of interest

*

- ☐ Option A: Pause the project for sometime and resume it once I am in a better state
- ☒ Option B: I would talk to more friends and faculty and get feedback if I am doing the right thing.
- ☐ Option C: I stop listening to them and continue doing my work.
- ☐ Option D: I listen to them gently and continue doing my work. But if they persist, I would explain them my thought process and reduce friction

Question5: Do you wish to standout from your peers?

*

- ☒ OptionA: I would like to be myself, working on areas for improvement
- ☐ OptionB: I am very competitive, I would like to be ahead of my peers and build a good career
- ☐ OptionC: I am still adapting to college right now, I would need some time to get started.
- ☐ OptionD: I have taken admission in a good college, they have good placement, I will concentrate on academics in the first year
